IRA J. PERRY, MD
CARDIOLOGY & INTERNAL MEDICINE

Dr. Perry is Double Board-Certified in Internal Medicine, Cardiology, and Nuclear Cardiology with more than 19 years clinical expertise.

Dr. Perry is a member of the American College of Cardiology, American Society of Nuclear Cardiology, and American College of Phlebology. Dr. Perry graduated from Pacific Union College, Magna cum Laude with a Bachelor of Arts degree in history. He received his medical degree from Loma Linda University School of Medicine, and did both his Internal Medicine as well as his Cardiology training at Cedars Sinai Medical Center.

His scope of practice ranges from preventative care to complex heart failure. Dr. Perry has been instrumental in developing a vein clinic for diagnosis as well as minimally invasive treatment of chronic venous insufficiency.
